

Welcome to the West Coast

We are very proud to welcome you to our special venue for the 2010 CAPNM AGM. Some of you may not have had the opportunity to visit this unique location with ocean and mountains at your doorstep. We hope that you will take the time to explore our city and take advantage of the many and varied sightseeing opportunities. On Thursday night, you will be offered the most breathtaking view from the 35th floor of the Coast Plaza Hotel. We will start with a reception welcoming all the participants, followed by a special worship and the business of the association. Friday night will feature a banquet and business and fun. Saturday will be business, brunch and byes. We hope you can come!

Two Conferences: Back to Back

In May of 2010, you will have the unique opportunity to attend two of the most spiritually fulfilling conferences of the year located in the same hotel just steps from this beach. This will be the third Spirituality Conference hosted by Providence Health Care where internationally noted speakers and attendees come to share their knowledge through keynote speakers and breakout sessions—some led by Parish Nurses. Providence's conference continues during the day and the CAPNM conference continues on into the evenings and

English Bay,
Vancouver, BC

on Saturday to fulfil the worship and business of the CAPNM AGM. This is the very first time British Columbia has hosted the Parish Nurses from across the country and we are very excited to extend a west coast welcome to all participants.

The Catholic Health Association of BC (CHABC) is pleased and honoured to be a partner with CAPNM in helping to organize this event. The CHABC is the secretariat to receive the CAPNM registrations. **Note: the two conferences require separate registrations.**
